7. Failure of owner to remove: If the owner of any structure has failed to commence the repair or removal of such structure within the time stated in the resolution or has failed to diligently prosecute the same thereafter, the City may proceed to raze and remove such structure, make the premises safe and secure, or let the same to contract. interest has been paid in full. Whenever any structure is removed from any premises under the provisions of this act, the City Clerk shall certify to the County Appraiser that such structure, describing the same, has been removed.

Whenever no-fund warrants are issued under the authority of this act the governing body of the City shall make a tax levy at the first tax levying period for the purpose of paying such warrants and the interest thereon. All such tax levies shall be in addition to all other levies authorized or limited by law and shall not be subject to the aggregate tax levy prescribed in article 19 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto. Such warrants shall be issued, registered, redeemed and bear interest in the manner and in the form prescribed by K.S.A. 79-2940, and amendments thereto, except they shall not bear the notation required by that section and may be issued without the approval of the state board of tax appeals.
